

Join the first Nordic webinar on aging and oral health

Oral health matters: caring for an ageing population in general dental care with quality and insight

Date & Time:
TUESDAY 21.10.2025
15-16 CET

Format:
FREE LIVE WEBINAR IN TEAMS
LANGUAGE: ENGLISH

By 2040, over **25% of Nordic residents** will be 65 or older. They're keeping more teeth, living longer, and needing **more complex, personalized oral care**.

Nordic Healthcare Group (NHG) and the Finnish Dental Society Apollonia are organizing a free **Nordic webinar on Tuesday, 21 October 2025, from 15:00 to 16:00 CET for dental care professionals**. Our upcoming webinar brings together expert speakers Björn Klinge and Hans Sandberg, who will share their experiences with the webinar hosts Annamari Nihtilä, Secretary General, Apollonia and Petteri Bjurström, Senior Manager, NHG.

MEET OUR SPEAKERS

We are proud to present our speakers, with a huge amount of experience from the topic. They will share powerful insights and inspirational stories to motivate and guide you.

Björn Klinge

Professor em., specialist in periodontology

“Why investing in senior oral health is critical for well-being”

Hans Sandberg

PhD, DDS

“Challenges and Opportunities for Service Providers: Working together for better prevention”

DON'T MISS OUT – HERE'S WHY!

- Inspiration to improve oral health outcomes for older adults
- Hear from dental care experts how aging trends are reshaping dental care
- How collaboration can improve care quality
